# CLUBS by EVUPRE

Our brand EVUPRE stands for the finest rowing apparel available. For us, rowing is not only a passion, but a lifestyle. We source the best performing textiles, design innovative features and create the best fit for rowers around the world while collaborating with the highest quality manufacturers in Europe.

Focusing on functionality as well as a refined look, with a low impact on the environment, working together with professional athletes and designers, we have launched several collections of high-performance rowing apparel since our foundation.

All our apparel collections and rowing accessories are available in our online shop: [evupre.com](https://evupre.com).

Bringing our experience from our EVUPRE brand collection to rowing clubs and national teams, we create customized looks that are individual and unique for each club. Together, with you, we can bring the performance and team spirit of your rowing club to a new level.

# Outstanding Design

Your club is unique! Let us reflect on your traditions as well as your brand- new ideas together to create modern, fashionable rowing clothes:

From **retro** to **modern**, **high-visibility** to **simplistic**.

You will directly work with our team of graphic designers and rowing experts, who will make sure that your club gets the best possible service.

Tell us about the history of your rowing club, show us your logo, your colors, your club house. There is so much history behind each rowing club that we can make use of and reflect in your club's individual design.

There are no boundaries to your creativity. Together, with you, we will develop your unique rowing club kit.

# Performance Apparel and Leisure Wear within 8 Weeks

Our portfolio includes performance rowing gear such as one-pieces, waterproof vests, tops as well as functional rowing accessories. We also have the right garments for representative purposes such as polo shirts, hoodies, or soft-shell jackets. Let us know your preferred outfit, and we will assemble the right collection for you.

From design to finished product: When the design is approved and all orders have been placed, it takes about 6 weeks until you receive your new items. Allow for an extra week for overseas delivery, but the results will make up for the slightly longer wait.

We will set up a password-protected online shop for your club, where every member can browse through the offering, get information about specific products and sizing, and finally pay online using various options of payment methods.
